After the Grenfell fire, the church got it right where the council failed

Giles Fraser

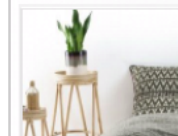

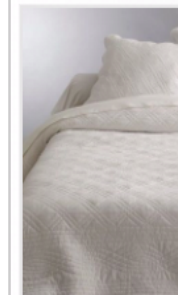

In poor parishes, the job of the church is to keep the doors open and the lights on, something local authorities are increasingly ill-equipped to do

A scenic mountain landscape with snow-capped peaks and a valley. The foreground shows a valley with green and brown patches, possibly a river or a road. The middle ground features rolling hills and valleys. The background is dominated by high, rugged mountains with significant snow cover under a clear blue sky.
